**During these next six weeks we will be considering how to seek and find a Heart for Worship. Why do we want a Heart for Worship? What steps will guide us to this new Heart? Over the next six Sundays we will learn steps we can take during Lent to have a more dynamic relationship with Jesus.*

The Six Steps to seek and find a Heart for Worship that we will explore during Lent include:

2/26 Step 1. Asking Jesus to give us a hunger and thirst to experience him.

3/5 Step 2. Setting times apart during each day to steal away and be with him & Holy Communion

3/12. Step 3. Learning to separate Jesus' voice from all other voices.

3/19 Step 4. Fasting at least one meal a week; spending the time with Jesus.

3/26 Step 5. Meditating on Jesus' words in the gospel of John.

4/2 Palm Sunday Step 6. Including Jesus in large and small decisions we make every day and Holy Communion
